## HARMONY DAY

Monday was a joyous day with student performances a parade, the school choir singing an indigenous song, greeting, in many different languages spoken by students at our school and special guests such as the Japanese Drummers and Sri Lankan Dancers throughout the Harmony Day celebration and also at lunchtime. Thank you to the parents who came and supported students on this day . The students and staff were a part of the planning for the day and students were able to have input on what the day would look like for our community. A big thank you to Mrs Lodewyke, the Mandarin and Music teams, the SRC and teachers who represented each year level for the planning of the day. A great success.

## EASTER PARADE PREP TO YEAR 2 ON THURSDAY 28<sup>TH</sup> OF MARCH

On Thursday the students from Prep to Year 2 will be having their Easter Parade on the Basketball Court, beginning at 9:00am. Parents can enter and exit through the gate with the ramp at the Basketball Court to view the parade.

## TERM 2 STARTS ON MONDAY 15<sup>TH</sup> OF April

I wish everyone a safe and happy holiday and look forward to your return in Term 2.

Warm regards,

*Kathy Sharp*

# ASSISTANT PRINCIPAL'S REPORT

Thank you to everyone for a great term.

It has been so busy with so many events, especially from the Physical Education team. It has been great seeing so many parents in the school this term to view their child's Inquiry work and for 'Read and Run'. Next term we want to involve parents more in volunteering in the mornings to listen to children read and to support children with word work, especially in the younger year levels. If this is something you are interested in, please ensure you have your Working with Children Check and you have completed the online induction and OH&S component.

## CHESS TOURNAMENT

It was great to see our chess team perform strongly at Karingal for the first tournament of the year. Overall, the students placed second as a team, just three points behind Silverton which was a close finish. Many of our students were new to the tournament structure and for their first performance they should be very proud of their efforts. Our average team score was 4.5 out of 7, which is a fantastic feat. Individual shoutouts go to Oshen and Aayush, who both won a bronze medal in their age group, as well as Amadi and Menuli who won gold and bronze in the girl's division respectively.

## LATE ARRIVALS AND EARLY LEAVERS

Wow, this Monday was not a good day for children arriving to school on time. To have 75 children arrive late to school is very disappointing. Unfortunately, we had no year levels that had zero children arriving late or leaving early. Let's hope Term Two's data is better.

# WELLBEING

The Good Friday Appeal is a charity that raises money which enables The Royal Children's Hospital to provide world class care for children. This event brings communities together to raise funds. The donations support projects in the following areas:

- ground-breaking research.
- state-of-the-art equipment and technology.
- patient and family centered care programs.
- fostering staff excellence through education programs, scholarships and fellowships.

This incredible contribution demonstrates the power of the community coming together to support a wonderful cause.

The SRC are proud to support this event and are encouraging our Tulliallan Community on Thursday 28<sup>th</sup> March to come to school in free dress and to donate using our virtual tin.

Families can donate online by using the following Link:

# WELLBEING

**Tuesday the 25th of April is ANZAC Day.**

Anzac Day is a National Day of Remembrance in Australia and New Zealand that commemorates all Australians and New Zealanders who served and died in all wars, conflicts, and peacekeeping operations.

All Funds from this appeal are used in the welfare work carried out by the RSL for Ex-service men, women, and their families, who are in necessitous situations.

These badges will be sold at the gates before and after school by our teachers and SRC students. Badges \$2, Wristband \$3 and Pens \$5. We encourage families to bring exact change please.

Let's continue to support this amazing cause.

***Merchandise will be sold at the gates from 26<sup>th</sup> March to 25<sup>th</sup> of April.***

# TUTOR LEARNING INITIATIVE

- Cooking- measurement of ingredients
- Time needed to cook etc
- Dice games

# SCHOOL NEWS

## PREP

The Preps have enjoyed their final weeks of school this term. In Reading, students revised learning about the letters and sounds we have been focusing on this term. We have also practised important reading strategies, including pointing to the words and sounding out unknown words. In Writing, we wrote recounts about how we organise ourselves in the morning and about what we did while participating in Coach Approach activities. In Mathematics, we learned how to add two groups of objects using different counting strategies, such as 'counting all'. We are very proud of our Preps for teaching their peers about their culture during our Harmony Day celebrations. We hope all of our students and their families have safe and fun holidays. We look forward to hearing all about your holiday

## YEAR ONE

What another wonderful week in Year One, with lots of fun activities going on! This week, the Year One students participated in Coach Approach where they engaged in a variety of different sports including, karate, athletics and hip-hop dance. It was wonderful to see everyone getting involved in each of the sports and demonstrating great teamwork. We have also celebrated Harmony Day this week. It was great to see everyone dressed in their cultural clothing and participating in tasks to do with different cultural sports, foods, arts and dances. Congratulations on an amazing term Year One's, we hope you all have a great holiday and look forward to seeing you back and ready for Term Two!

# SCHOOL NEWS

## YEAR TWO

The Year Two's have had an amazing week especially having the Coach Approach incursion! We got to meet some super friendly elite athletes and they taught us some skills to do athletics, taekwondo, soccer and hip-hop dancing! In Athletics, students learnt to hold their hand like a butterfly to effectively hand over the baton to the next runner. In Soccer students played number soccer and learned to kick the ball with the correct part of their foot. Saanvi and William were two of the many students who won a special prize for their attention and efforts on the day! The teachers were incredibly proud of their efforts and how much they learned during the Coach Approach program. We also need to celebrate a successful term by all of our Year Two's. They should be so proud of how they have transitioned into Year Two and give it their all each and every day! The students transition to different Reading, Number and Spelling Groups with ease and have been taught by many of the Year Two teachers, which enriches their learning immensely. We can't wait for Term Two and another jam packed term of learning.

## YEAR THREE

CONGRATULATIONS to our Year Three students for completing NAPLAN this week! We are so proud of you all and know how much hard work you all put in. It was yet another busy week with House Athletics, we loved seeing the wonderful sportsmanship displayed by our students. Everyone was dressed up in their house colours, trying their best and cheering each other along. In Mathematics, we enjoyed using base ten to create structures and towers in group. Our students worked collaboratively and were able to deconstruct their buildings and calculate how many thousands, hundreds, tens, and ones they had. It was great to see them have fun while using a range of strategies to get their answers.

# SCHOOL NEWS

## YEAR FOUR

Wow! What a great week we have had in Year Four. Students took part of an incursion with CERES where we learnt about how rubbish breaks down in the environment and how to dispose of different types of wrappers. We also had the TPS Athletics Carnival where our students got to have a go at all the events and enjoyed earning ribbons with their peers! We are so proud of you! We wish you all a very safe and fun holidays and we will see you back in two weeks time for an awesome Term Two!

## YEAR FIVE

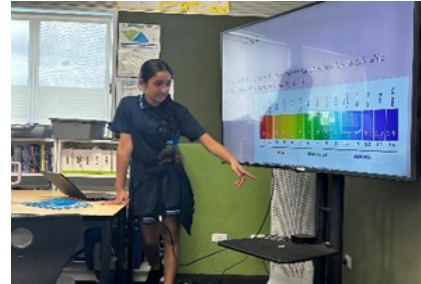

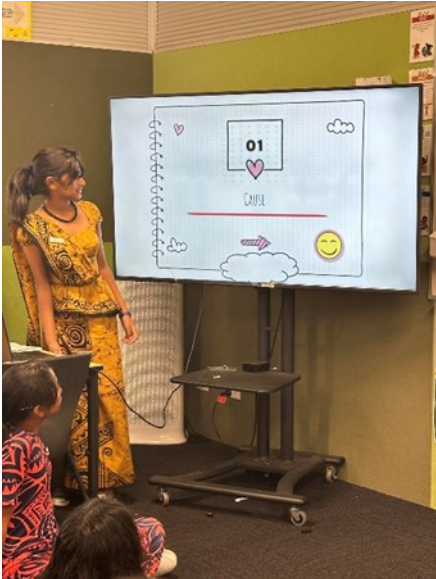

It has been a very busy week for Year Five. Week 8 started off with students completing their final NAPLAN assessments, followed by a big celebration at House Athletics and parent - student Inquiry session. At athletics, it was fantastic to see everyone getting involved and giving it their best shot. Congratulations to all of those that received a ribbon placement. Also, a huge well done to the students who have worked diligently to complete their Inquiry projects. They look incredible! Thank you, parents, for co-constructing with your children.

# SCHOOL NEWS

## YEAR SIX

The Year Six students have been presenting their Inquiry projects to the parent community over the last few weeks. It has been great to see their projects come together as they share their learning and give feedback to each other. We are gearing up for another busy term in Term Two, readying ourselves for more rounds of Interschool Sports and the Lightning Premiership as well as beginning our production rehearsals. We are also super proud of our Masterminds students who presented their projects about remarkable people on Monday night.

Taiko drummers who gave us a glimpse into the Japanese culture.

Students were treated to the amazing dancers from Jannali Dance Academy

The school choir performed a Koolari in honour of corroborees that depicted how the Aboriginal culture used song to tell their stories.

## HARMONY DAY 2024

Harmony day is a celebration that recognises our diversity and brings together Australians from all different backgrounds. It's about inclusiveness, respect, and sense of belonging for everyone. It was amazing to see the effort our Tulliallan community made today dressed in their many cultural clothing and the colour orange.

Our captains did an amazing job to introduce our guest performers and student performers.

# SPECIALISTS

## VISUAL ARTS

Our students in Art have been busy finishing off their final details for their Art project for Term One. The Prep students have constructed their amazing three-dimensional dragons. The Year One and Two students have started to construct their Dragon Masks. Our Year Three and Fours have worked very hard in putting together their dragon shields, outstanding work! The Year Fives have been using their modelling and painting skills in the final construction of their three dimensional dragon eyes. Our Year Six students have started on the first stages of their Art projects, focusing on self expression and emphasis. What an exciting Term we have had and it was amazing to see the wide range of creativity our talented Tulliallan students were able to showcase throughout their 'Year of the Dragon' study.

## STEM

To finish up our Biological Science unit this term, our Year Prep students learned about different things that animals need to survive. They did this by replicating the chicken enclosure earlier in the Term, showing that chickens need food, water, and a warm shelter.

Our Year One and Two students wrapped up their learning by observing the stages that take place within the lifecycle of a bean. Students replicated the story 'Jack and the Beanstalk' by coloring in a giant's castle and attaching this to a small dirt cup after they had planted their beans.

# SCHOOL NEWS

## MUSIC AND PERFORMING ARTS

We're thrilled to share the exciting highlights from our music program wrapping up an exciting term. Prep students are exploring tempo, discovering how the speed of music affects its mood and feel. Our One students are showcasing their class song performances. Ostinato rhythms are taking centre stage in Two! Students are learning to create ostinato patterns that add depth and texture to their music, building their rhythmic prowess one beat at a time. It's all about the keyboard in Three! Students are mastering the notes and techniques needed to play melodies with their right hand. Our Five students are ready to take the stage with their performances! They're putting their hard work and dedication into practice as they prepare to showcase their talents to the class. We're incredibly proud of all our students this Term for their enthusiasm and dedication.

## MANDARIN

We are almost at the end of the term. Well done to all year levels for finishing up their Mandarin assessment last week. We were really glad to see most of the Prep students were able to introduce themselves in Mandarin and respond to most of the classroom phrases. The Year One and Two students showed their enthusiasm in the revision of the topics of emotions. It is great to see the Year Three to Four students remembering and recalling most of the countries in Mandarin. The Year Five and Six students started their research about Mandarin speaking countries. Most of them already had some interesting findings and are ready to present it next term. They also had an opportunity to play the Blooket to revise all the countries and languages that they learned this term. All the year levels are also exposed to a range of activities for celebrating Easter including colouring in and handcraft. The Language and Culture Club last week introduced the countries of South Korea. Students were exposed to history and learned the basic greetings "Hello, Thank you and Sorry" in Korean.

## Tuning in to Kids™

**A FREE, 6-week group for parents/carers in the Cranbourne area to develop and enhance your parenting skills, focusing on building your relationship with your child.**

### Do you:

- have a connection to the Cranbourne area (place of residence, work, school or relatives), and
- have a child aged 3 to 10 years?
- have difficulty managing your child's behaviour?
- want to strengthen your parenting skills?
- want to learn ways to better connect with your child?
- feel concerned about the level of conflict in your home?

### This course teaches parents/caregivers:

- emotional intelligence and why it's important
- the five steps of emotion coaching
- different parenting styles
- anger and conflict management
- problem solving
- emotional self-care.

Please note: Only parents and carers can attend programs. Children cannot be present during groups.

Tuning in to Kids™ is provided by Relationships Australia Victoria as part of Windermere's Communities for Children initiative, with funding from the Australian Government Department of Social Services.
