PRINCIPAL'S REPORT

SETTLING IN

We are very impressed with our students settling into routine after only a short time back at school. Our new Preps have shown how ready they are for school today following teacher directions and learning patience and how to wait for their turn. Congratulations on a great start to the school year.

2026 STUDENT LEADERS BADGE PRESENTATION MONDAY 16TH FEBRUARY -9AM IN OUR SCHOOL STADIUM

Congratulations to our 2026 Student Leaders. The badge presentation will be at a special assembly on Monday 16th of February at 9am in our school stadium. Parents are welcome to attend.

BASKETBALL COURT COVER WORKS START ON MONDAY 9TH OF FEBRUARY

It is exciting news to know that finally our Basketball Court Cover for our courts will begin to be installed on Monday 9th of February. This will enhance the area to deliver shade, an area for PE lessons to take place and conduct events under cover.

Unfortunately for this work to happen, the construction company will need to use the whole school carpark for their compound for materials and work huts. This also means that temporary fencing will go around the whole worksite being the basketball court and ramp entry/exit, meaning the entry and exit via the basketball gate at the ramp will be closed.

FROM MONDAY 9TH OF FEBRUARY UNTIL THE END OF TERM

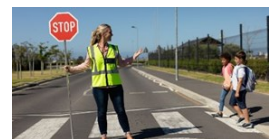

- **NO ONE CAN USE THE SCHOOL CARPARK**
- **NO USE OF THE BASKETBALL COURT.** (Hence the reason we have been taking different year levels out to the sporting field for recess times)
- **BASKETBALL RAMP ENTRY WILL BE CLOSED AND PARENTS CAN USE WHEELERS PARK DRIVE FRONT ENTRANCE, BURFORD WAY BACK OF SCHOOL ENTRANCE AND SASSAFRAS PLACE SIDE OF SCHOOL FOR ENTRY AND EXIT.**

We thank our school community for their patience whilst we continue to improve our school.

SCHOOL CROSSINGS

Crossing operating times

School crossings are co-funded by Council and the State Government to operate for 1.5 hours per day. For some crossings, this is an even split of 45 minutes in the morning and afternoon; other crossings have an uneven split to suit the flow of students

The State Government set the School Zone times as 8.00 am—9.30 am and 2.30 pm—4.00 pm. All Casey school crossings operate within these times. The City of Casey does not operate any crossings outside these times. This is due to additional safety measures in place during these times, such as:

- Enforceable school zone speed limits with speeds reduced to 40km on roads that are not already a permanent 40km/h zone.
- Radio advertising advising drivers to slow down around schools happens during this time.
- Parking restrictions around crossings commence including the parking bay directly before a crossing that can restrict visibility.

The School Crossing is the safest place for families and students to cross the road

STUDENTS WEARING HELMETS WHEN RIDING SCOOTERS AND BIKES

Congratulations to many students who are wearing helmets when riding bikes and scooters. VIC ROADS states that all bike and scooter riders are required to wear a bike helmet in Victoria. Mandatory bicycle helmet laws were introduced in July 1990. This applies when riding:

- on roads and road-related areas
- on bike and shared paths
- in bike lanes
- in recreational parks
- in car parks on footpaths.

Police can stop bike and scooter riders and issue a fine or a warning for not wearing an approved bicycle helmet. Please use the link below to see safety and road rules.

Arriving at school on time helps set the tone for a calm, confident start to the day. When students come in on time, they have a chance to settle into their routines, connect with friends, and be fully present for learning right from the first moment. It also means they don't miss important instructions or activities that help them feel prepared and successful.

We know mornings can be busy, and we truly appreciate the effort families make to get everyone out the door. Even small changes - like preparing backpacks the night before or aiming to arrive a few minutes early can make a big difference. Thank you for working with us to support positive habits that help our students thrive every day!

ASSISTANT PRINCIPAL'S REPORT

UNIFORM AND HATS

Well done to students that have arrived at school in full school uniform. Unfortunately, we did have a small number that came with incorrect footwear. Please remember that our school uniform footwear is only black runners or school shoes. This term all students **MUST** have a school hat. Term One and Four are our SunSmart terms and departmental guidelines state that all students must wear a school hat. Hats can be purchased from the office.

USE OF AREA G (SPORTING FIELDS) AT RECESS

We are pleased to share that Area G (the sporting fields) is now being used as part of recess at Tulliallan Primary School. Our Year Two to Six students have practised the required routines and expectations with their Home Group teachers to ensure a smooth and safe transition. We are delighted to report that this has been a great success so far.

This initiative provides students with increased space and choice during recess, allowing them to enjoy both the playground areas and the entire sporting field. Students have embraced the opportunity to engage in active play, collaborate with peers, and make the most of our school grounds in a responsible and positive way. We look forward to continuing to support active, safe, and enjoyable play for all students during recess.

Keep up the wonderful work!

SCHOOL NEWS

YEAR ONE

Year One's have had a great first week of school! Teachers are very impressed with the resilience we have seen this week as students have quickly settled into classroom routines.

We have spent some time getting to know our new class and teachers. We have also explored our new Learning Community and the wider school grounds. Students have revised our school values of Respect, Resilience, Relationships and Responsibility.

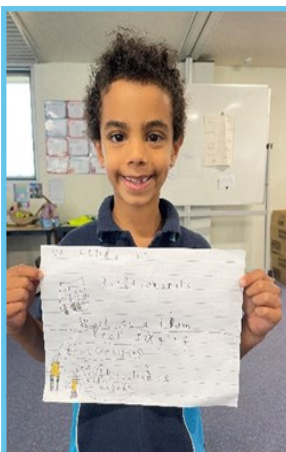

Together with student input, we have created our Code of Cooperation motto: CARE. We will Cooperate, Actively listen, Respect others and our school, making sure everyone is included. Looking forward to another fun week of learning ahead!

YEAR TWO

Welcome back, Year Two students! It has been fantastic to see everyone return to school after the break with a positive attitude. Students have settled in well, getting to know each other and their teachers. They have worked on developing a strong understanding of the expectations and routines in Year Two as well as learning to work as a team. Students have also learned about what it means to be a student at Tulliallan, building upon their knowledge of our school values and demonstrating their ability to show these values every day through their actions.

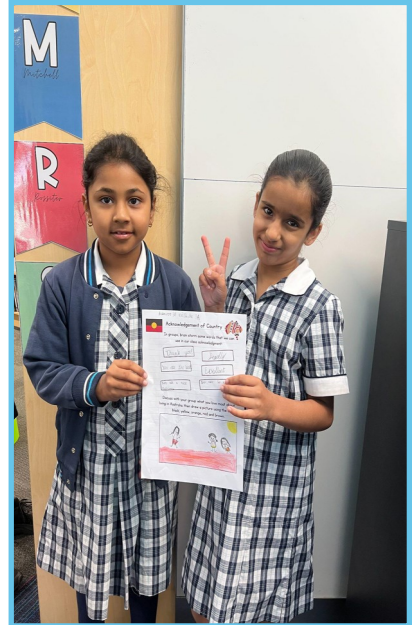

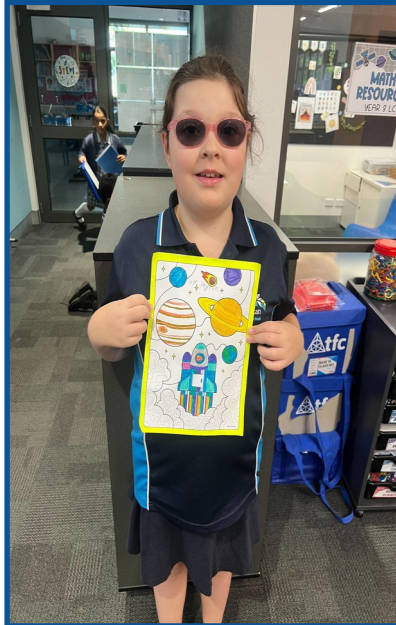

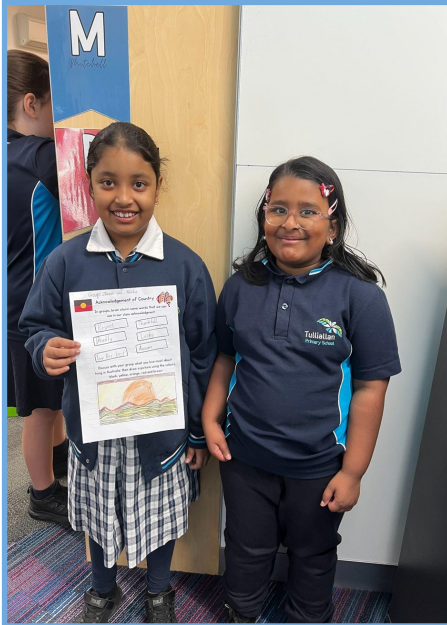

Congratulations on such an excellent start to Year Two and 2026!

SCHOOL NEWS

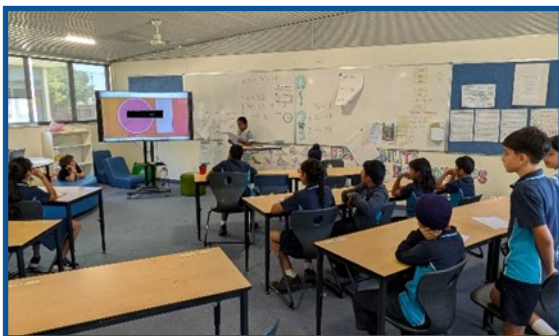

YEAR THREE

What an amazing first week we have had in Year Three! It was great to see everybody coming in to school last week full of energy and enthusiasm for an exciting year ahead. We spent some time reviewing the daily routines and expectations, and getting to know each and every one of our wonderful students. Well done on a fantastic first week and we are all looking forward to many more ahead.

YEAR FOUR

It's been a busy start to the year in Year Four. Students have been getting into the new routines and adjusting to being just a little bit older. They have done well to settle in and it has been great to see how enthusiastic many of them have been coming back this year. We are looking forward to all the exciting events and things that will be happening this year.

SCHOOL NEWS

YEAR FIVE

Smiles, connections and a positive attitude set the tone with the Year Fives in their first week back at school. Our classroom activities focused on building relationships and settling into classroom routines. Through team activities, group discussions and games, students got to know their peers and developed a strong sense of belonging.

It has been wonderful to see the Year Fives supporting one another in the classroom, out in the yard and embracing the new school year with excitement.

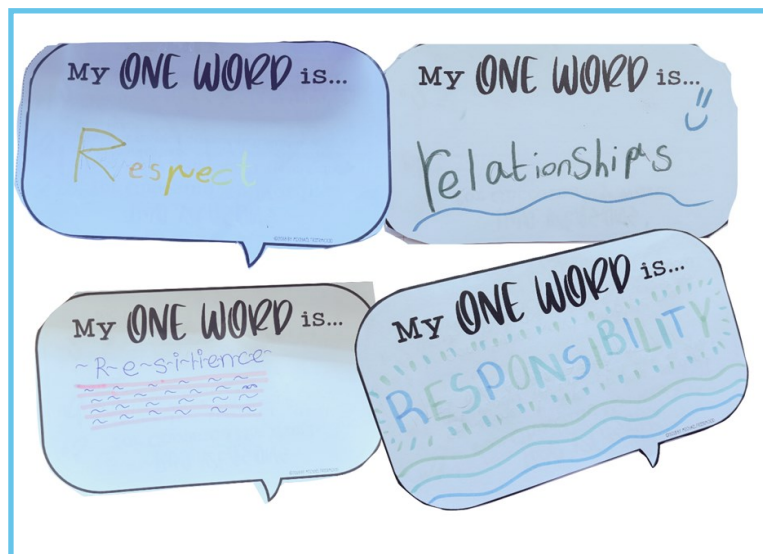

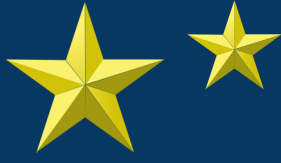

YEAR SIX

Year Six is off to an incredible start! We've spent the last few weeks exploring our school values and building a Code of Cooperation that reflects our shared commitment to excellence.

From group brainstorming to individual goal setting, students have shown great initiative in defining what success looks like for them.

With their targets set and their values clear, we are officially ready for a brilliant year!
