

YMCA

FACILITIES AND HIRING

Tulliallan Primary School has a range of spaces available for hire.

Facilities include a community hub, indoor and outdoor courts, and a large outdoor sports oval.

The community hub is a multipurpose space, making it ideal for anything from group exercise classes to community gatherings. The indoor and outdoor courts are suitable for netball, basketball and more, while our sports oval is a flexible space perfect for cricket, football and other sporting activities. We also have convenient onsite parking.

If you are interested in hiring or using the facilities, please contact Benn Bevis from YMCA via email facilityhire@ymca.org.au

or visit the YMCA website
